In the Matter of:

THE NOTICE OF PURCHASED GAS            )  
ADJUSTMENT FILING OF MT. OLIVET        ) CASE NO. 7800-L  
NATURAL GAS COMPANY INC.                )

O R D E R

On October 13, 1980, the Commission issued its Order in Case No. 7800 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased.

On September 16, 1982, Mt. Olivet Natural Gas Company, Inc., ("Mt. Olivet") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission") effective September 1, 1982, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the evidence of record and being advised, the Commission is of the opinion and finds that:

(1) Mt. Olivet's notice of September 16, 1982, set out certain revisions in rates which Mt. Olivet proposed to place in effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$5,797 or \$0.1158 per Mcf.

(2) Mt. Olivet's supplier, Transmission, filed with the Federal Energy Regulatory Commission ("FERC") for decreased rates to become effective September 1, 1982.

(3) Due to the retroactive nature of Transmission's decrease, Mt. Olivet should report to the Commission any excess revenues collected during the period of September 1, 1982, and the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Mt. Olivet's adjustment in rates under the purchased gas adjustment clause approved by the Commission in its Order in Case No. 7800 dated October 13, 1980, is fair, just and reasonable, in the public interest and should be effective with gas supplied on and after September 1, 1982.

IT IS THEREFORE ORDERED that the rates contained in Appendix A be and they are approved for gas supplied on and after September 1, 1982.

IT IS FURTHER ORDERED that for the purpose of future application of the purchased gas adjustment clause of Mt. Olivet, the base rate for purchased gas shall be:

	<u>Demand</u>	<u>Commodity</u>
Columbia Gas Transmission Corporation	-	\$4.4414 per Dth
Columbia LNG Corporation	-	\$5.9477*

\*Includes Transportation Charge of \$0.3377

IT IS FURTHER ORDERED that Mt. Olivet shall report to the Commission any excess revenues collected during the period of

September 1, 1982, and the date the proposed rates are implemented, along with a plan to refund any excess collections.

IT IS FURTHER ORDERED that within 30 days after the date the decreased cost of wholesale gas becomes effective, Mt. Olivet shall file with this Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 5th day of October, 1982.
